Siggi brings a wealth of international experience in the pharmaceutical industry, having held senior positions at Actavis Pharma Inc. and Teva Pharmaceuticals. Resolutions 6 to 14: Re-election of Directors

The Directors included in these resolutions are standing for re-election, in accordance with the Company policy and in line with Section B.7.1 of the UK Corporate Governance Code which states that all directors of FTSE 350 companies should be subject to annual election by shareholders. A summary of the experiences of all the Directors is detailed on pages 70-71 of the annual report and accounts for the year ended 31 December 2017, which accompanies this document and on the Company's website www.hikma.com.

In reviewing the independence of each Non-Executive Director, the Board has concluded that all Non-Executive Directors with the exception of Dr. Jochen Gann and Ali Al-Husry are independent.

In addition, the Chairman confirms that the Board has appraised the performances of each of the Directors and considered the balance of skills and experience required. The Board has determined that they each continue to make an effective and valuable contribution to the Board and fully supports each re-election.

Resolution 15: Remuneration Committee Report 2017

The Company is required to seek Shareholders' approval in respect of the contents of the Remuneration Committee Report on an annual basis. The vote is advisory.

The Remuneration Committee Report is detailed on pages 86-108 of the annual report and accounts for the year ended 31 December 2017, which accompanies this document.

Resolution 16: Approval of the 2018 Management Incentive Plan

This resolution is to approve and adopt the rules of the 2018 Management Incentive Plan ('MIP'), the principal terms are summarised in Appendix 1 of this Notice and a copy of the full rules is available from the Company Secretary on request. The Company believes that the MIP provides a competitive incentive and retention tool for management below the executive level that will drive underlying profitability and corporate strategy while further aligning management and shareholder interests. The 2018 MIP replaces the 2009 MIP, on a like for like basis. The Remuneration Committee intends to make awards under the 2018 MIP to key management personnel.

Resolution 17: Authority to allot Ordinary Shares

Your Directors may only allot Ordinary Shares or grant rights over Ordinary Shares if authorised to do so by Shareholders.

The authority granted at the Annual General Meeting held in 2017 is due to expire at this year's Annual General Meeting. Accordingly, Resolution 17 will be proposed as an ordinary resolution to grant a new authority to allot share capital. Paragraph (a) of this resolution would give the Directors the authority to allot Ordinary Shares or grant rights to subscribe for or convert any securities into Ordinary Shares up to an aggregate nominal amount equal to £8,022,630 (representing 80,226,300 Ordinary Shares). This amount represents approximately one-third of the issued Ordinary Share capital of the Company as at 28 March 2018, the latest practicable date prior to publication of this Notice.

In line with guidance issued by the Investment Association ('IA'), paragraph (b) of this resolution would give the Directors authority to allot equity securities (as defined in the Act and which includes Ordinary Shares) in connection with a rights issue in favour of Shareholders up to an aggregate nominal amount equal to £16,045,260 (representing 160,452,600 Ordinary Shares), as reduced by the nominal amount of any Ordinary Shares previously issued under paragraph (a) of this resolution. This amount (before any reduction) represents approximately two-thirds of the issued Ordinary Share capital of the Company as at 28 March 2018, the latest practicable date prior to publication of this Notice. If the Directors were to exercise this further authority, they intend to follow the recommendations of the IA as regards to its use.

The authorities sought under paragraphs (a) and (b) of this resolution will expire at the earlier of 30 June 2019 (the last date by which the Company must hold an Annual General Meeting in 2019) or the conclusion of the Annual General Meeting to be held in 2019.

In the year ahead, other than in respect of the Company's obligations to satisfy rights granted to employees under its various share-based incentive arrangements, the Directors have no present intention of exercising this authority.

As at the date of this Notice, the Company holds no treasury shares.

Resolutions 18 and 19: Authority to disapply pre-emption rights

Your Directors also require authority from Shareholders to allot Ordinary Shares or grant rights over Ordinary Shares or sell treasury shares where they propose to do so for cash and otherwise than to existing Shareholders pro rata to their existing shareholdings.

The authority granted at the Annual General Meeting in 2017 is due to expire at this year's Annual General Meeting. Resolutions 18 and 19 will be proposed as special resolutions, each of which requires a 75% majority of the votes to be cast in favour. They would give the Directors the authority to allot equity securities (and/or sell any Ordinary Shares which the Company elects to hold in treasury) for cash without first offering them to existing Shareholders in proportion to their existing shareholdings.

The power set out in Resolution 18 would be, similar to previous years, limited to: (a) allotments or sales in connection with pre-emptive offers and offers to holders of other equity securities if required by the rights of those shares, or as the Directors otherwise consider necessary, or (b) otherwise up to an aggregate nominal amount of £1,203,394 (representing 12,033,940 Ordinary Shares). This aggregate nominal amount represents approximately 5% of the issued Ordinary Share capital of the Company as at 28 March 2018, the latest practicable date prior to publication of this Notice.

In respect of the power under Resolution 18(ii), the Directors confirm their intention to follow the provisions of the Statement of Principles regarding cumulative usage of authorities within a rolling 3-year period where the Statement of Principles provides that usage in excess of 7.5% of the issued Ordinary Share capital of the Company should not take place without prior consultation with Shareholders.

Resolution 19 is intended to give the Company flexibility to make non pre-emptive issues of Ordinary Shares in connection with acquisitions and other capital investments as contemplated by the Statement of Principles. The power under Resolution 19 is in addition to that proposed by Resolution 19 and would be limited to allotments or sales of up to an aggregate nominal amount of £1,203,394 (representing 12,033,940 Ordinary Shares) in addition to the power set out in Resolution 18. This aggregate nominal amount represents an additional 5% of the issued Ordinary Share capital of the Company as at 28 March 2018, the latest practicable date prior to publication of this Notice.

The authority will expire at the earlier of 30 June 2019 (the last date by which the Company must hold an Annual General Meeting in 2019) or the conclusion of the Annual General Meeting to be held in 2019.

Resolution 20: Authority to purchase Ordinary Shares

This resolution will give the Company authority to purchase its own Ordinary Shares in the market up to a limit of up to 24,067,889 Ordinary Shares, being 10% of the Company's issued Ordinary Shares as at 28 March 2018 (the latest practicable date prior to the posting of this document), renewing the authority granted by the Shareholders at the previous Annual General Meeting. The Company has not used the authority granted at the previous Annual General Meeting to carry out any market purchases of Ordinary Shares.

The Directors have no present intention of exercising the authority, however, your Directors believe that it is advantageous for the Company to have the flexibility to make market purchases of its Ordinary Shares. Your Directors would exercise this authority only if they are satisfied that it would be in the best interests of the Company, and of its Shareholders generally, and could be expected to result in an increase in the earnings per share of the Company.

Ordinary Shares purchased pursuant to this authority may be cancelled (and the number of Ordinary Shares in issue would be reduced accordingly) or, subject to the provisions of Chapter 6 of Part 18 of the Act, be retained as treasury shares. The Company will consider holding re-purchased Ordinary Shares pursuant to the authority conferred by this resolution as treasury shares (the Company currently has no Ordinary Shares in treasury). This would give the Company the ability to re-issue treasury shares quickly and cost effectively, and would provide the Company with additional flexibility in the management of its capital base. Any holdings of treasury shares will not exceed the 10% anti-dilution limit set by the IA.

The minimum price, exclusive of expenses, which may be paid for an Ordinary Share is 10 pence. The maximum price, exclusive of expenses, which may be paid for an Ordinary Share is the highest of: (i) an amount equal to 5% above the average market value for an Ordinary Share for the five business days immediately preceding the day on which that Ordinary Share is contracted to be purchased; and (ii) the higher of the price of the last independent trade and the highest current independent purchase bid on the trading venue where the purchase is carried out at the relevant time.

As at 28 March 2018, the total number of options and awards over Ordinary Shares was 1,892,342 which if exercised would represent 0.78% of the Company's issued share capital at that date. If the Company was to purchase its own Ordinary Shares to the fullest possible extent of its authority from Shareholders given at the 2017 AGM and the authority now being sought by Resolution 20, this number of outstanding options and awards could potentially represent 0.87% of the issued share capital of the Company.

This authority is in addition to and separate from the specific authority granted by Shareholders at the General Meeting on 19 February 2016 whereby, pursuant to the shareholders' agreement between the Company, Boehringer Ingelheim International GmbH ('BI') and Boehringer Ingelheim Corporation, Shareholders authorised the off market purchase of all or part of any Ordinary Shares held by BI or its affiliates from time to time and that BI or its affiliates propose to dispose of from time to time, being up to 40,000,000 Ordinary Shares as at completion of the acquisition.

If granted, the authority will expire at the earlier of 30 June 2019 (the last date by which the Company must hold an Annual General Meeting in 2019) or the conclusion of the Annual General Meeting to be held in 2019.

Resolution 21: Notice of General Meetings

This resolution authorises a reduction in the minimum notice period for general meetings, other than Annual General Meetings. Whilst the Company's articles of association already provide for a minimum notice period of 14 clear days for General Meetings, the Act requires that the Company requests Shareholders to authorise this minimum notice period at every Annual General Meeting in order to be able to take advantage of this provision. In 2017, the Shareholders voted in favour of allowing the Company to call general meetings (other than an AGM) on 14 clear days' notice. Whilst the Board considers that it is unlikely to use this authority, the Company would like to preserve the flexibility to do so. The approval will be effective until the Company's next Annual General Meeting, when it is intended that a similar resolution will be proposed. The Company will meet the requirements for electronic voting under the Act before it will call a general meeting on 14 clear days' notice.

Recommendation

Your Directors as a whole believe that the proposals above are most likely to promote the success of the Company for the benefit of Shareholders as a whole and unanimously recommend that you vote in favour of Resolutions 1 to 21 as they intend to do in respect of their entire holdings which effectively amount to 28,304,094 Ordinary Shares, representing approximately 11.8% of the Company's issued share capital. Further details of directors' shareholdings, including those effectively owned through Darhold Limited, can be found in the 2017 Annual Report on page 105.

Proxy form

A Form of Proxy for the Annual General Meeting is enclosed and should be completed and returned as soon as possible. To be valid, it must reach the Company's registrars, Link Asset Services, no later than 48 hours before the Annual General Meeting, being 10.00 a.m. on 16 May 2018 (or, if the Annual General Meeting is adjourned, by no later than the close of business two business days prior to the adjourned Annual General Meeting). Completion and return of the Form of Proxy will not prevent you from attending and voting at the Annual General Meeting in person, should you so wish.

Right to attend and vote

1. Pursuant to regulation 41 of the Uncertificated Securities Regulations 2001 (SI 2001 No 3755), the Company specifies that, in order to have the right to attend and vote at the Annual General Meeting (and also for the purpose of calculating how many votes a person entitled to attend and vote may cast), a person must be entered on the register of members of the Ordinary Shares of the Company by no later than the close of business on 16 May 2018 or, if the meeting is adjourned, a person must be entered on the register of members of the Ordinary Shares of the Company by no later than the close of business two days prior to the adjourned meeting. Changes to entries on the register after this time shall be disregarded in determining the rights of any person to attend or vote at the meeting.

Proxies

2. A member entitled to attend and vote may appoint a proxy or proxies who need not be a member of the Company to attend, to speak and to vote at the Annual General Meeting instead of him or her. A Form of Proxy for the Annual General Meeting is enclosed and should be completed and returned as soon as possible. To be valid, it must reach the Company's registrars, Link Asset Services, at PXS, 34 Beckenham Road, Beckenham, Kent BR3 4TU by post or by using the Business Reply service attached to this form or at the electronic address provided below, in each case no later than 48 hours before the meeting. Therefore, please deposit your form before 10.00 a.m. on 16 May 2018. Completion of a Form of Proxy will not preclude a member from attending and voting in person at the meeting should he or she so wish. A member may appoint more than one proxy in relation to the meeting, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by him. A proxy need not be a member of the Company.

Electronic proxies

3. Alternatively, you may register your proxy appointment and instructions on-line by visiting the Link Share Portal, by logging onto www.hikmashares.com, where full instructions are given. In order to register your vote online you will need to enter your Investor Code which appears on the bottom right-hand side of your share certificate.

Directors' service contracts

4. Copies of the Executive Directors' service contracts and the Non-Executive Directors' letters of appointment are available for inspection at the Company's registered office, from the date of this notice until the date of the meeting, between 9.00 a.m. and 5.00 p.m. Monday to Friday (except public holidays). You can also inspect copies of these documents at the AGM venue; they will be available from 15 minutes before the meeting to 15 minutes after the meeting.

CREST electronic proxies

5. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for this Annual General Meeting and any adjournment(s) thereof by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instructions, as described in the CREST Manual (available via <https://my.euroclear.com/en/login>). The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA10) by 10.00 a.m. on 16 May 2018. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service provider(s) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

Appointing a proxy will not prevent a member from attending in person and voting at the meeting should he or she so wish.

Joint holders

6. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first-named being the most senior).

Appointing a corporate representative

7. Any corporation which is a member can appoint one or more corporate representatives. Each representative may exercise on behalf of the corporation the same powers as the corporation could exercise if it were an individual member of the Company provided that they do not do so in relation to the same Ordinary Shares. It is therefore no longer necessary to nominate a designated corporate representative.

Nominated persons

8. Any person to whom this Notice is sent who is a person nominated under section 146 of the Act to enjoy information rights (a 'Nominated Person') may have a right, under an agreement between him/her and the member by whom he/she was nominated, to be appointed (or to have someone else appointed) as a proxy for the meeting. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may have a right, under such an agreement, to give instructions to the member as to the exercise of voting rights. Nominated persons should contact the registered member by whom they were nominated in respect of these arrangements.

The statement of the rights of the members in relation to the right to vote and the appointment of corporate representatives and proxies set out in paragraphs 1 to 7 above, does not apply to Nominated Persons. Those rights can only be exercised by Shareholders of the Company.

Voting rights

9. As at 28 March 2018 (being the last business day prior to publication of this Notice) the Company's issued share capital consists of 240,689,192 Ordinary Shares, carrying one vote each. Therefore, the total voting rights in the Company as at 28 March 2018 are 240,689,192. There are no shares held in treasury.

Website publication of audit concerns

10. Shareholders should note that it is possible that, pursuant to requests made by members of the Company under section 527 of the Act, the Company may be required to publish on a website a statement setting out any matter relating to:

- i. the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the Annual General Meeting; or
- ii. any circumstance connected with an auditor of the Company appointed ceasing to hold office since the previous meeting at which annual accounts and reports were laid (in each case) that the members propose to raise at the Annual General Meeting.

The Company may not require the members requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Act. Where the Company is required to place a statement on a website under section 527 of the Act, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. - (a) the Group Company has received payment prior to the grant, Release or Exercise from the Participant of an amount not less than the Tax Payment; or

If the Committee, in accordance with its discretion under Rule 6.1, determines that an Award shall not lapse on cessation, the proportion of the Award which shall be Released will be calculated based upon the amount of the relevant Holding Period completed on the date of cessation and on the satisfaction of the Performance Requirements (if any) relating to the Award.

For the purposes of calculating the number of Shares subject to the Awards which shall be Released in accordance with Rule 6.2 the Committee shall:

- (a) firstly, pro-rate the number of Shares subject to the Awards based on the amount of the relevant Holding Period completed on the date of cessation; and
- (b) secondly, determine if the Release of the Award was subject to Performance Requirements when the Performance Requirements shall be measured and when the Awards are Released, which shall be either:
 - (i) at the date of cessation of employment; or
 - (ii) the end of the relevant Holding Period.

6.2 It shall be a condition of participation in the Plan that a Participant shall not be entitled to any compensation in the event of cessation, lapse or alteration of any actual or prospective rights under the Plan or under any Award granted thereunder. No provisions of the Plan form part of any contract of employment between any Group Company and a Participant.

6.3 Nothing in the Plan or in any document issued pursuant thereto shall confer upon any person any right to continue in the employ of any Group Company or shall affect the right of any Group Company to terminate the employment of any person, or shall impose upon any Group Company or employees of such Group Company, the Committee or their respective servants or agents any liability for the loss of any rights under the Plan which may result if that person's employment is so terminated (whether such termination is in breach of the relevant terms and conditions of employment or otherwise). In no circumstances shall any Participant, by reason of ceasing to be employed by any Group Company be entitled to any compensation for any loss of any actual or prospective right or benefit under the Plan which he might otherwise have enjoyed, whether such compensation is claimed by way of damages for wrongful or unfair dismissal or other breach of contract or by way of compensation for loss of office or otherwise.

For the purposes of Rule 6, no Participant shall be treated as ceasing to be employed by a Group Company until he ceases to hold office or employment in any Group Company and a Participant (being a woman) who is a director or employee who ceases to be such a director or employee by reason of pregnancy or confinement and who exercises her right to return to work under section 79 of the Employment Rights Act 1996 before the Release and/or Exercise of an Award shall be treated for those purposes as not having ceased to hold such an office or employment.

6.4 No benefit under the Plan shall be pensionable.

6.5 In the case of Awards granted in the form of Nil Cost Options, the Participant shall have, such period as is determined by the Committee in its discretion, from his date of cessation of employment to Exercise all Released Awards including those Awards Released as a result of the operation of Rule 6, at the end of which period any Awards that have not been Exercised shall lapse.

7 Take-over, reconstruction, amalgamation, winding up, merger and demerger of the Company

7.1 If any of the following events occurs:

- (c) a company or person becomes bound or entitled to acquire Shares under sections 979 to 982 of the Companies Act 2006; and
- (d) a voluntary winding up of the Company is proposed or if an order is made for the compulsory winding up of the Company,

the Company shall notify Participants.

7.2 Subject to Rule 7.6, on the occurrence of any of the events set out in Rule 7.1 Awards shall be Released provided that the Committee may also, in its absolute discretion, apply a reduction to the number of Shares based on the period of time from the Date of Grant ending on the date of the occurrence of the event relative to the period of time from the Date of Grant to the normal Release date(s), if it so decides.

7.3 If, as a result of events specified in Rule 7.1 (a) or (b) above, a company has obtained Control of the Company or if a company has become bound or entitled as stated in Rule 7.1 (c) above (such company referred to as the 'Acquiring Company'), the Participant may, by agreement with the Acquiring Company, cancel each subsisting Award (the 'Old Award') in exchange for a replacement award (the 'New Award') provided that the New Award:

- (a) is over shares in the Acquiring Company or some other company which has Control of the Acquiring Company or is a member of a consortium owning either the Acquiring Company or having Control of the Acquiring Company;
- (b) is a right over such number of shares as have an aggregate Market Value equal to those Shares subject to the Old Award at the date of exchange; and

The New Award shall for all purposes of the Plan be treated as having been acquired on the same Date of Grant as the Old Award and thereafter references in these Rules to the Company, Shares and Awards, where appropriate, shall be construed as references to the Acquiring Company and its shares and New Awards.

7.4 In the event that the Company merges with another company, or any of the businesses of the Group are demerged (whether such merger or demerger is effected by way of sale, distribution or in any other manner) the Committee shall have the discretion whether or not to take any action pursuant to this Rule 7.4 and, if they decide to do so, shall notify each Participant whether any Award shall be Released and/or adjustments be made to the number of Shares comprised in an Award in such manner and with effect from such date as the Committee shall determine to be appropriate and the advisors of the Company confirm to be fair and reasonable provided that should the merger or demerger amount to a Control Change then the Committee shall apply the provisions of Rule 7.2.

7.5 The Committee shall notify Participants as soon as reasonably practicable of any adjustments made pursuant to Rule 7.4 and may call in Award Certificates for endorsement or replacement.

In the case of an Internal Reorganisation, the Committee may decide that the provisions of Rules 7.2 and 7.4 shall not apply and:-

- (a) no adjustment is required to subsisting Awards; or
- (b) to treat the Internal Reorganisation as a variation of share capital and apply Rule 10; or
- (c) with the consent of the acquiring company, Awards shall be cancelled and replaced by New Awards on the basis set out in Rule 7.3 provided that there shall be no requirement to seek Participant consent.

7.6 In the case of Awards granted in the form of Nil Cost Options, the participants shall have such period as determined by the Committee in its discretion from the date of the occurrence of any of the events set out in Rules 7.1 and 7.4 (inclusive), to Exercise all Released Nil Cost Options including those Nil Cost Options Released as a result of the operation of this Rule 7, at the end of which period any Nil Cost Options not exercised shall lapse.

8.3 The maximum level of Award (being the aggregate Market Value of Shares subject to the Award at the date of grant) that can be granted to an Eligible Employee under this Plan in any financial year shall be limited to 75% of such Eligible Employee's Emoluments. In the event that the Committee considers that exceptional circumstances exist, the maximum level of Award that can be granted to an Eligible Employee shall be limited to 100% of such Eligible Employee's Emoluments. 9.2 The Committee may from time to time make and amend such regulations for the implementation and administration of the Plan in a manner consistent with the Plan as it thinks fit and to make any amendments to these Rules provided that:

(b) subject to Rules 5.4 and Rule 5.5 no alteration shall be made which would materially affect any subsisting rights of Participants granted prior to the date of the alteration without the prior consent or sanction of the majority of that number of Participants who responded to the notification by the Company of such proposed alteration.

9.3 Any matters pertaining or pursuant to the Plan which are not dealt with by these Rules and any uncertainty or dispute as to the meaning of these Rules shall be determined or resolved by decision of the Committee which shall be binding on the Company and all Participants.

9.4 In the application of Rule 1.2(e), if events subsequently occur which cause the Committee to consider that the existing Performance Requirements have become unfair or impractical it may, in its discretion (provided such discretion is exercised fairly and reasonably) amend the relevant Performance Requirements so that in the reasonable opinion of the Committee they shall be no more or less difficult to abide by or satisfy as when they were originally imposed or last amended.
